

Elsing Village Hall Report 2022

The village hall team is made up of a group of village volunteers who look after the hall for the good of the community.

We let the hall for a donation to the other groups in the village ie the church, the allotment group, Harnser wood group, the heritage society. The knit and natter group etc.

We have a few long term weekly bookings like the keep fit group, yoga group and bingo.

We also have a very popular village breakfast and table top sale, mostly local crafts, which is held once a month on a Saturday. The next one is this Saturday 26th March

Once a year we hold a summer fete either in the beautiful grounds of Elsing Hall, as it is this year, or near the river for our great 'duck race' !

We are also beginning to get more bookings for adult and children's parties as we used to before the pandemic. The hall is super cleaned very regularly to enable this to happen.

We along with lots of other groups are always looking for more volunteers to help us.
